STAFFORD SPRINGS

Citizens' Committee Appointed to Push
Matter of Extending Trolley Line to
Staffordville.

A meeting of citizens interested in
trolley development between Stafford
Springs and Staffordville was held in
the rooms of the business men Wed-
nesday evening. At the last session
of the legislature a charter was grant-
ed to the Tolland County Street Rail-
way company to build a line from the
Spring to State Line. The incorporat-
ors of this company are Thomas F.
Neone of Rockville, Freeman F. Patten
and Harvey S. Abel of Stafford
Springs. No action has been taken
by this company looking toward the
construction of the road and there are
no present indications that this com-
pany will ever make use of the charter.
A committee was appointed to investi-
gate the matter and to ascertain if pos-
sible the intention of the holders of the
charter of the Tolland County Street
Railway company relative to the con-
struction of the road. The committee
is also to secure such information as it
may be possible to obtain relative to
the extension of the line by the New
Haven road. The committee consists
of William Park, E. H. Baker, C. B.
Pinney, F. F. Patten and M. D. O'Con-
nell.

After Taking the First Few Doses—Most Severe
Backache Simply Vanishes.

If your kidneys are disordered or
you suffer with backache or bladder
misery a few doses of Pape's Diuretic
now will effect a cure.

Put an end to kidney trouble while
into Dropsy, Diabetes, Gravel or
Bright's disease.

The moment you suspect any kid-
ney, bladder or urinary disorder, or
feel a dull, constant backache, or the
urine is thick, cloudy, offensive or full
of sediment, irregular of passage or
attended by a scalding sensation, be-
gin taking Pape's Diuretic as directed,
with the knowledge that there is no
other medicine anywhere else in the world,
which is so harmless or will effect so thorough
and prompt a cure.

the kidneys, bladder and urinary sys-
tem; cleans, heals and regulates these
organs, ducts and glands and com-
pletes the cure within a few days.

rheumatic twinges, prostatic trouble,
debilitating headache, nervousness,
dizziness, weakness, bilious stomach,

lids, worn-out feeling and many other
symptoms caused by clogged, inactive
kidneys, promptly vanish. Frequent
painful and uncontrollable urination
due to a weak or irritable bladder is
overcome.

The Westerly Granite Manufacturers'
association has entered protest to the
interstate commerce commission
against the proposed car demurrage
rules which provide that only 48 hours
will be allowed for a car of granite
blocks to be unloaded.

The manufacturers protest and suggest
that the cars would have to be shifted
more frequently. The commissioners
recommended that for six months the
average rule shall only be allowed on a
48-hour basis, and that if the rule
proves a hardship modification will be
made. The new rule is detrimental to
the interests of the granite manufac-
turers and especially in the winter,
when it is difficult to unload and load
cars quickly.

It is understood that when a car is
unloaded in less time than 48 hours
greatly will be applied on any future
demurrage charges.

A plan to stop the substitution of
other grades for Westerly granite is in-
teresting the Westerly Granite Manu-
facturers' association. They realize that
many thousands of dollars are lost
each year to Westerly granite by
misrepresentation and the substitution
of granite claimed to be the equal of
Westerly granite. The imposition has
become such a menace that the local
granite manufacturers believe that
co-operative methods must be adopted.
It is likely that some action will be
taken in the near future that will be
supported by all the manufacturers
and dealers in granite in Westerly.

Among the prize winners in the
School Arts guild are Dennis Carey of
the Niantic school and James Thomp-
son of the Elm street school. Honor-
able mention is given to Ruth E.
Barnes, Louise Carr, Lillian Dionne,
Dolores France, Willie Jones, Helen
McLaughlin and Camella Papia. This
competition is open to all school pupils
and Westerly is always well repre-
sented in the monthly awards.

The Alert Hook and Ladder company
elected officers in annual session as
follows: Richard Mitchell, foreman;
Henry Potter first assistant; J. Court
Barber, second assistant; Albert T.
Kenneth, secretary; William St. Onge,
treasurer; Clarence E. Money, stew-
ard; Jeremiah T. Kenyon, Everett C.
Lawton, Frank Greenman, executive
committee; Henry Johnson, delegate to
State Firemen's association conven-
tion; Everett Davis, alternate. A so-
cial session followed the election and
a turkey supper and all that goes with
it when served in the firehouses of a
city. The members of the company, the board
of engineers and a few other guests.

Judge Albert R. Stillman of the town
court of Stonington had before him on
Friday morning Henry Kenyon, aged 14,
of Pawcatuck, for carelessly shoot-
ing Henry Willis, aged 13, in the hip,
causing a flesh wound. The two boys

were out for target practice and young
Kenyon tried to shoot a flobert rifle at a
human target. After the circumstances
were explained in detail Kenyon was
sentenced to the school for boys in
Meriden during his minority. He was
taken to that institution by Deputy
Sheriff William H. Casey.

Prospects are good for paving cutters
in Westerly for a few months at least
in paving blocks for the city of Provi-
dence. Several weeks ago John Catto
was awarded a contract to furnish
100,000 blocks, and on Thursday he was
a successful bidder for 50,000 more
blocks. A contract for 132,000 blocks
was awarded the New England Granite
company. These granite blocks will be
of Westerly granite and cut here. Ac-
cording to contract they will be deliv-
ered before May 1.

Principal John H. Swain and
Coaches D. Harold Rogers and Daniel
Larkin were the special guests at the
annual dinner of the Westerly High
school football team held in the Dixon
house. Addition Archie was re-elected
captain for the season of 1911 and the
W was awarded to Spencer. Bliven,
Doyle, Howard, Downer, Anderson,
Healey, Nisco, Randall, Goodall, Ar-
chie Uiter, Seelye and McLaren. They
qualified for the coveted W for their
sweater front by playing in three
games during the season of 1910.

The new concrete water tower on
Quarry Hill is sweating, that is, the
water is oozing through the cement in
place, and the loss of water is hardly
appreciable. The capacity of the tower
is \$650,000 gallons of water. This is to
be drawn off and remedied applied that
will prevent the sweating.

Mr. and Mrs. Otis C. Chapman, Jr.,
write to northern friends that they are
pleasantly located in Weirsdale, Fla.,
where the temperature is 34 degrees.
They left Westerly on the first of Jan-
uary to return the first of March. Both
are enjoying their vacation, after an
exceptionally busy and successful season
of dahlia culture at their Westerly home.

Thomas Richards, who succeeded
Jack Gardner in the title role of The
Chocolate Soldiers, and who is playing
the Hungarian lover in The Girl and
the Kaiser, is reported to have been
singing English songs to some extent,
however, during the past season.

M. Brieux read his play, La Folie, to
the committee of the Comedie Fran-
caise in Paris last month. The com-
mittee, owing to the subject of which
the play treats, decided not to accept
it. An adaptation of La Folie was re-
cently produced in London at His Ma-
jesty's theater, under the title of False
Gods.
